## Scarf Details

Enjoy watching the colors of the Kauni Effektgarn work together as you knit your way through this scarf. The instructions are written for clarity but as you read the pattern you will see it really is just one pattern repeat that is knit over and over and over, alternating 2 rows of color at a time.

## Pattern

With color A cast on 76 sts using long tail cast on:

Set up row (Col A): K1 through the back loop (loosely), K1, \*[pm,k5 k2tog k4, kfb] repeat from \* 5 more times (6 repeats in total) until there are 2 sts left,pm, K1 then slip last stitch of each row through the back loop with yarn in front.

Row 1 (Col A):K1tbl, K1, \*[sm,k5 k2tog k4, kfb] repeat from \* 5 more times (6 repeats in total) until there are 2 sts left, sm, K1 then slip last stitch of each row through the back loop with yarn in front.

When changing yarn color just leave the alternate color yarn hanging to the back and knit with the new color. This way the edge with the colour changes will look just as neat as the opposite edge.

Row 2 (Col B):K1tbl, K1, \*[sm,k5 k2tog k4, kfb] repeat from \*5 more times (6 repeats in total) until there are 2 sts left, sm, K1 then slip last stitch of each row through the back loop with yarn in front.

Row 3 (Col B):K1tbl, K1, \*[sm, k5 k2tog k4, kfb] repeat from \* 5 more times (6 repeats in total) until there are 2 sts left, sm, K1 then slip last stitch of each row tbl.

Row 4 (Col A):K1tbl, K1, \*[sm,k5 k2tog k4, kfb] repeat from \* 5 more times (6 repeats in total) until there are 2 sts left, sm, K1 then slip last stitch of each row through the back loop with yarn in front.

Repeat rows 1-4. Knit the scarf to finished dimensions, or to the length you desire. Loosely BO all stitches and block.
